So why is the General Hospital being closed?

£450 million is being invested in our hospital services.

**But #NotEnoughBeds are planned.

The future of our hospitals – time is running out.

**SAVE OUR NHS
LEICESTERSHIRE**

Public meeting hosted by Save Our NHS Leicestershire where we will be joined by local NHS bosses running the consultation on the future of our local NHS hospitals.

Tuesday 15th December at 7pm

Come to this online public meeting hosted by Save Our NHS Leicestershire where we will be joined by speakers from the local NHS who are running the public consultation which ends on 21st December. This is your opportunity to hear different points of view on the consultation plan and have concerns addressed.

During the COVID-19 pandemic, residents in Leicester, Leicestershire and Rutland have been asked to participate in a public consultation with huge implications for the future of public health in the region. But while everyone agrees that additional funding for our NHS is welcome, there is significant disagreement between campaigners and NHS bosses over

Register here to attend: bit.ly/leicesterhospitals1 (If you wish to submit a question, please email in advance: secretary@saveournhsleicestershire.org)
